Founded in 2005, Bottom Line Equipment rents heavy equipment and specialty attachments to build better communities by raising the standards of quality and safety for all. We serve customers throughout the Gulf Coast from our strategically located service centers in St. Rose, LA; Baton Rouge, LA; Sulphur, LA; Beaumont, TX; Baytown, TX; and our administrative office in Lafayette, LA.

Our growth is the result of outstanding partnerships with our employees, customers and vendors. Our purpose since Bottom Line's inception has been fueled by a Make It Happen attitude and partnering with our customers to satisfy their specific needs.

We are continually focused on exceeding the rental, sales and service needs of our customers — which include industrial, heavy civil-infrastructure, energy, commercial and demolition contractors along the Gulf Coast. We can meet most heavy construction equipment needs through our reliable, late model fleet of heavy equipment and specialty attachments. Contact us today to find out how our diverse fleet can help Make It Happen on your jobsite!
